BECOME A SPONSOR:

Partner with us at STARS of the Spectrum: Concert for Autism Acceptance - a music event **BY** autistic artists and **FOR** the autism community. Your sponsorship showcases your commitment to the autism community and helps autistic performers share their talents under the bright lights of an iconic stage!

ABOUT THE FLUTIE FOUNDATION:

The Doug Flutie Jr. Foundation for Autism, founded by NFL legend Doug Flutie and his wife Laurie in honor of their son, Douieg Jr., has worked to help people and families with autism live life to the fullest. The Flutie Foundation has raised over \$45 million to address critical needs in the autism community - providing programs that promote education and employment, create opportunities for physical and social engagement, and ensure families have the tools to stay safe, supported, and informed.

CONCERT FOR AUTISM ACCEPTANCE

APRIL 19, 2026 | 12-3 PM

This concert is entirely sensory-inclusive featuring sensory spaces, sensory item giveaways (headphones, fidget toys, and more), and welcomes all behaviors so families with autism feel that they belong. Many families may not have the chance to attend concerts like these due to these challenges, but this event is created for ALL families and people with autism to be themselves and to enjoy live music in a safe, friendly environment.
